## DSDC APRIL 2022

Who is a Self-Advocate?

- · Someone who says what they think and feel
- Someone who speaks-up for things they believe in
- Someone who knows and understands their rights and responsibilities

you need or want it, it just means that you are making the choices and you have to be responsible for the choices you make.

There are many places that you might want to speak-up for yourself or ask for what you want such as:

At home, At work, At the hospital, At the doctor, at stores or on the bus/van, or in the community.

If you are not happy with the way something is done then it is up to you to help change it.

Nobody else knows how you feel or what you think-YOU need to tell people if you are not happy or you want something to change.

# **Spring Into Movement!**

Springtime is a wonderful time for us to get up and to get moving about! Since we have been starting to get out during the day more, now is a great time for us to be getting out more in the community, enjoy our long term friends and making some new friends! Activities such as "Dream with Me" has startd in-person at the Bibb Center in White Bluff. We meet every Wednesday at the Bibb Center. Be on the look-out for emails about events and activities with People First and other. Local Volunteer Activities too!

Try something new this Spring. Enjoy a healthy meal with Friends or grill-out! Look up a new recipe and invite a friend over to try it with you! Take a long stroll and enjoy the sunshine. Find a new activity you haven't tried yet this year, play horsehoes, washers or any outdoor game in your yard.

Make it a point to make a new friend. Introduce yourself to someone new in the community when you go out. Go exploring new places, look for events to do in your community, try listening to a new band, try a new resturant, join a club!
