

FACILITY TORNADO PLAN

(LOCATION)

Step 1:
Get the consumers and staff together and draw a floor plan of the facility making all windows and doors.

Step2:
Agree on an inside or outside place where every individual will wait for the tornado to pass. Mark the location on the plan.

This image shows a full page of blank graph paper. The grid consists of small squares formed by thin black lines. There are approximately 20 columns and 25 rows of squares. The paper is otherwise empty, with no text or markings.
